Signed \_\_\_\_\_

(Veterinary surgeon/practitioner) or (verified NZMHBG member)

(Measuring for Frame Score on reverse page)

## Measuring for Frame Score:

Measurement to be taken on flat surface ie concrete yards or similar.

Taken over back at a point above the hip (before tail bone) as per diagram.....

NZMHBG Rules state that Frames Score must be measured in the presence of another registered member of the NZ Miniature Hereford Breeders Group or by your local Veterinary Practitioner.
